OUR SERVICES

Buy-Manage-Sell

The 24 real estate specialists of Win Win Marketing & Developers follow an active Buy-Manage-Sell strategy as part of their professional portfolio management. The close proximity of the branches across the country to the most important markets and customers enables them to acquire, at short notice, the suitable real estate for the portfolio, then professionally manage the portfolio, and finally sell at the best time and price.

The successive development of further operative country branches is part of the growth strategy of Win Win Marketing & Developers in the coming years.

Mediating Services

Mediating represents the core business function of the company. Win Win Marketing & Developers professionals specialize in office, industrial, investment and retail properties. The company's proven track record in property disposition demonstrates a thorough understanding and implementation of building construction, valuation and marketing.

Consulting Services

Consulting Services provide complementing support, including property and tenant evaluation, financial analysis (including lease and cash flow analysis), financing options, economic incentives, and market research.

Our Support personnel will provide reliable information and valuable insights especially to cater your demands.

Management Services

Win Win Marketing & Developers provides portfolio analysis and property management, whether it is on a short - term basis during the initial marketing and disposition period, or on a long-term basis in the growth marketing and management of investment and retail properties. Win Win Associate specializes in managing risk to maximize our client's return.

TEAM WIN WIN

In order to provide our clients with exceptional services, we have built a highly skilled professional team. Each team member is integral to the success of our business.

OUR SALE VOLUME IS
TRULY A TESTAMENT
TO OUR TEAM!

We Believe in business ethics that bring client confidence.

The highly skilled professionals at WinWin work day in and day out to provide Outstanding Results to our Clients. Our team consists of experienced personnel who have a vision for modern living and luxury real estate. The specialized team we have in place allows us to manage a large portfolio of listings, while not sacrificing our Services.

[AND NOW
WHAT IT IS ALL
ABOUT]

“BIG THINGS
HAPPEN HERE”

WHY IN ISLAMABAD

Most Beautiful Capital

Safest City of Pakistan

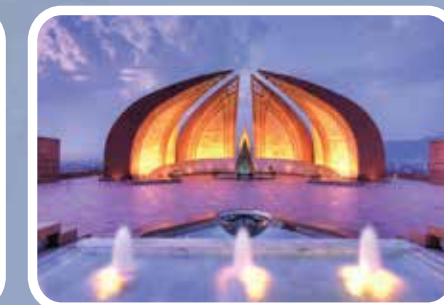

Financial Activity upturn

Growth in population & Urbanization

Continuously Expanding & Reshaping

Islamabad, the capital of Pakistan, a well planned city, which is transmuted into a business capital of the country. This city is renowned for its peaceful and lush green surroundings with a blend of style and elegance.

Being strategically located, global investments and other dynamics, the landscape of Islamabad is continuously expanding, reshaping and bringing about enormous growth in the population as well as in financial activity especially during last 10 years. Because of its safe and secure environment, Islamabad has become the leading choice for people living inside Pakistan or abroad.

WHY IN FAISAL TOWN

Faisal Town is a Project of Zedem International (Pvt) Ltd. Unique location at the junction of main communication arteries (motorway, airport & railway) and ideal access from downtown areas of twin cities of Islamabad and Rawalpindi. Project execution by a team of trained, highly qualified engineers, consultants, architects and ancillary staff. Fully competent to translate vision into reality through commitment, devotion and hard-work with the support and guidance of Board of Directors.

Faisal town is located on main Fateh Jang Road before Motorway M-1 Interchange and New Islamabad International Airport is only 4 kilometers away from the project.

Management

Faisal Town is a Project of Ch. ABDUL Majeed, GM of MPCHS and CEO of Zed Em International Pvt Ltd. A competent person possessing extensive experience & knowledge of real estate industry. The success of E-11 1&3, F-17, B-17, Multi Residencia & Orchard is the evidence of his capability and true management.

Infrastructure

Faisal Town is one of the best housing societies near New Islamabad International Airport, due to its outstanding architecture and development standards e.g. underground electricity, wide carpeted well-lit roads, parks, hospitals, schools, community club & security system are few examples.

New Islamabad Int'l Airport

The first greenfield airport in Pakistan
First to support the landing of Airbus A380
Built on an area of 3,289 acres will cater up to 25 million passengers in the second phase.

CPEC.

Faisal Town is located at CPEC route. A \$45 billion project.

Motorway

Adjacent to M-1 (Islamabad to Peshawar Motorway)
Minute away from Tarnol interchange.

Metro

25.6 kilometers long Metro Bus Service linking Peshawar Mor with New Islamabad Airport Metro.

The scheme is beautifully designed with all modern amenities compatible to international standards with professional layout planning.

Well planned & ideal location surrounded by institutions of value addition and is accessible through all main arteries of communication is a significant factor of Faisal Town.
